GLOBAL BUYER EDIT

Why this collection works

Aviator metal remains one of the most recognized sunglass categories worldwide, making it easy for buyers to position across men, women and unisex retail.

Commercial color story

Gold, silver and gunmetal options cover classic, premium and understated markets while keeping the range simple to quote and sell.

Customization options

- Lens tint, gradient and polarized options
- Metal plating and temple finish
- Logo, pouch, case and retail packaging

Buyer advantages

- Complete spec sheet pages for review
- Clear size and fit direction
- OEM/ODM support from sample to shipment

SM350

CLASSIC SHAPE. REFINED DETAILS.

Design Concept

SM350 Classic double bridge aviator sunglasses with polished gold metal frame. Temple hinge with delicate embossed carving details for elegant texture. Solid smoke lenses block UV rays and harsh glare for driving and daily outdoor use. Matte brown temple arms plus adjustable silicone nose pads deliver lightweight, comfortable all-day wear. Luxury retro unisex style for versatile daily matching.

SM662

CLASSIC SHAPE. REFINED DETAILS.

Design Concept

SM662 adopts classic browline rectangular frame, targeted at urban business men. The front frame uses matte black metal upper rim matched with gunmetal brushed splicing structure, with rivet details on temples for delicate texture. Equipped with gradient smoke lenses, it effectively blocks outdoor glare while ensuring daily viewing clarity. With adjustable silicone nose pads and ergonomic curved temple ends, it delivers comfortable anti-slip wearing experience. Minimalist and low-key styling fits driving, commuting and light business occasions, highlighting restrained premium temperament.

SM602

CLASSIC SHAPE. REFINED DETAILS.

Design Concept

SM663 This classic double bridge aviator sunglasses inherits the timeless pilot eyewear silhouette. Crafted with polished golden metal front frame paired with tortoise acetate temples, it balances retro charm and lightweight wearing comfort. Solid brown tint lenses effectively block harsh UV rays and glare, ideal for driving, travelling and daily outdoor use. Equipped with adjustable transparent silicone nose pads and ergonomic temple tips, the structure ensures stable fit and all-day comfort. Combining vintage aviation style with modern wearability, this pair delivers a sophisticated, timeless look for both men and women.
